Final Note	160

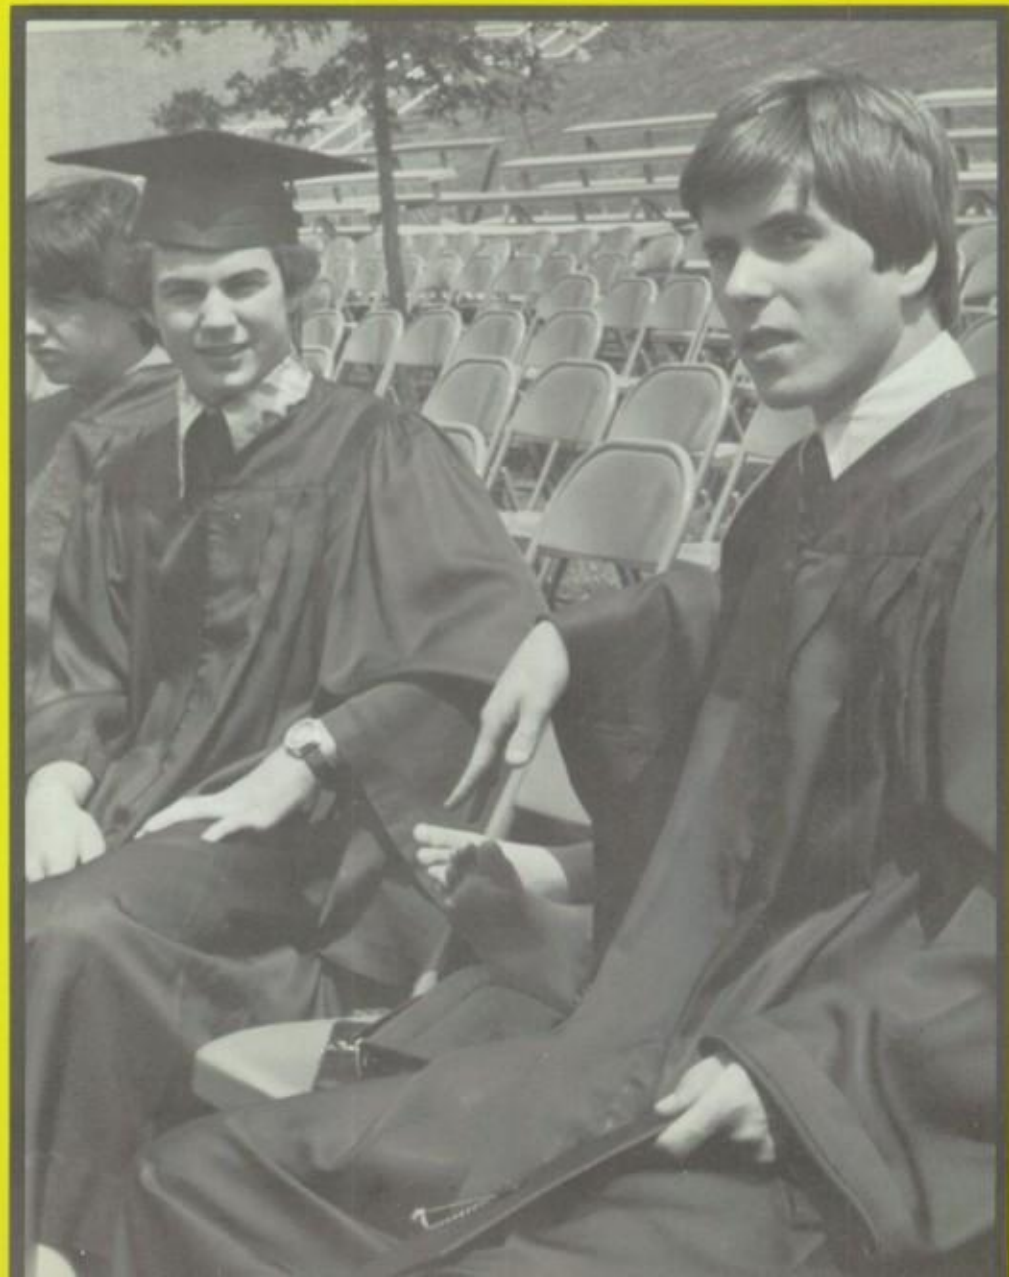

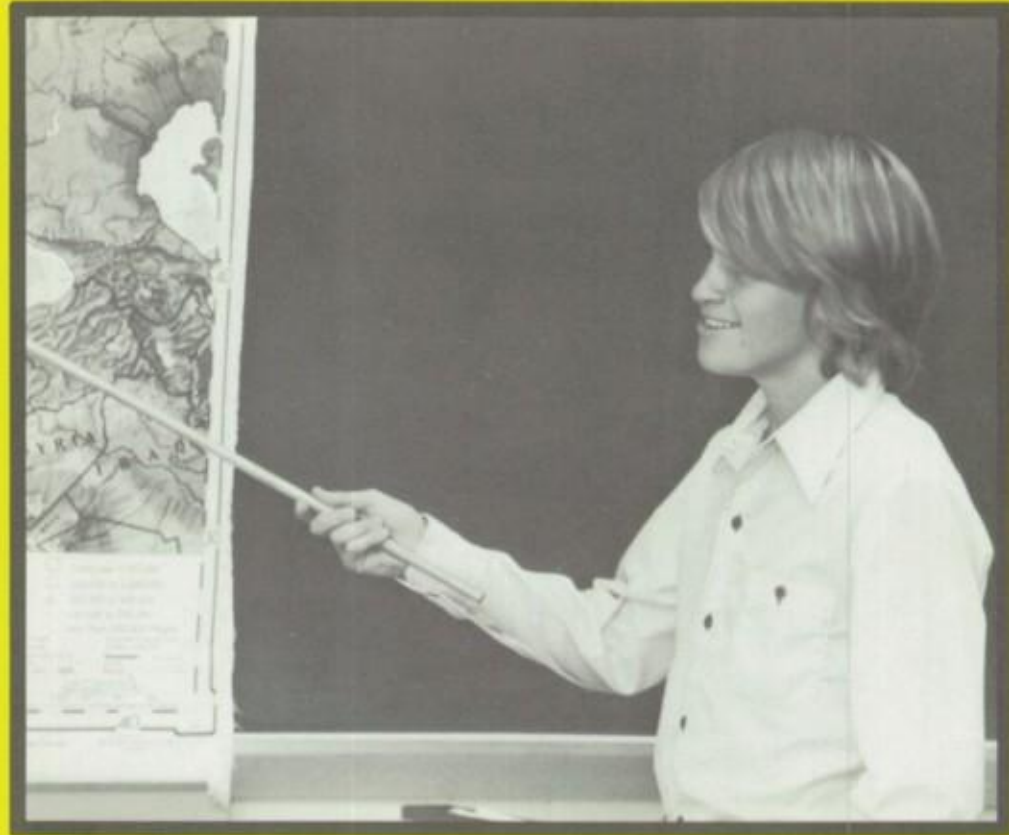

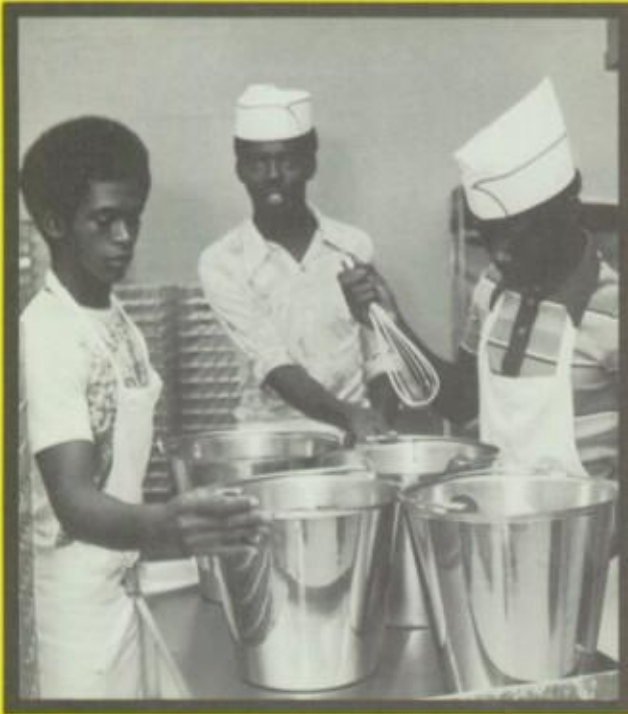

Once a year the Troiad staff must decide to whom the year-book should be dedicated. When nominating candidates, we consider such qualities as true concern for the students, dedication to the school, extra-curricular activities, and good rapport with everyone. The person we honor today excels in all these qualities.

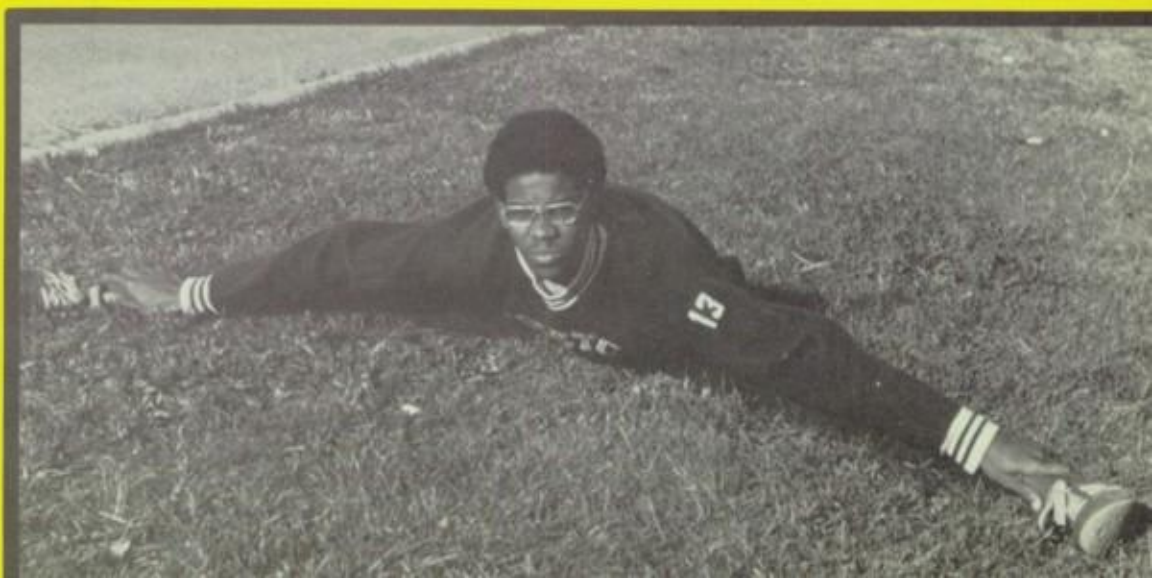

Serving as a teacher in Pottstown for 41 years, this man has given his all to his school and community. He has aided students to progress in their education and their extra-curricular activities. He has led young men and women to successful futures, recommending many of them to major colleges. He has taught history, English, economics, and P.O.D. and has served as sponsor of the A A store for more than a quarter of a century. Coaching has been another of his activities. His coaching career encompassed football, basketball, and golf and brought nine championships to the Trojans.

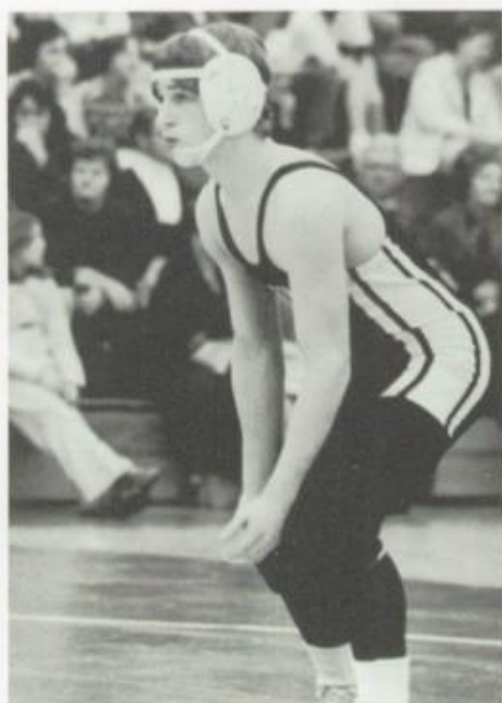

His dedication to serving others has never stopped at the end of the school day. He was a member of borough council for six years and still serves as a member of the Pottstown Borough Authority.

One man has done so much . . . and still remains cool, collected, cheerful, and considerate. It is with complete admiration that we are privileged to dedicate the 1977 Troiad to . . .

Mr. William McCabe

"We have universities, seats of great learning, where people go to become great thinkers. When they come out, they think deep thoughts and with no more brains than you have. But they have one thing you haven't got — a diploma."

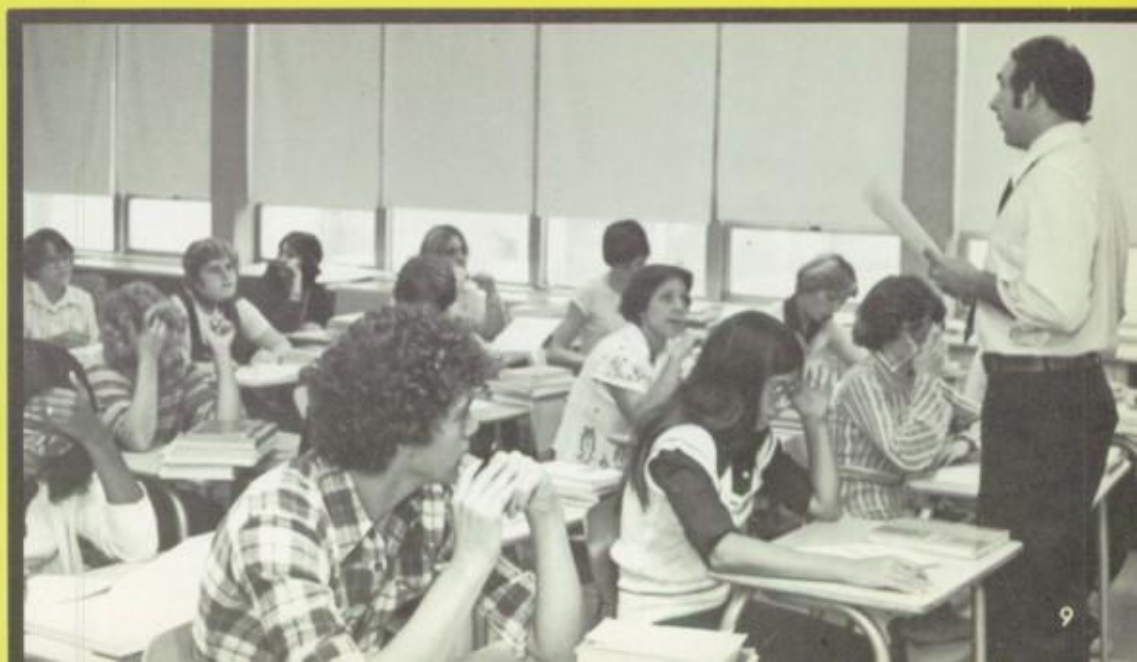

"Hearts will never be practical until they can be made unbreakable. Remember, a heart is not judged by how much you love, but by how much you are loved by others."

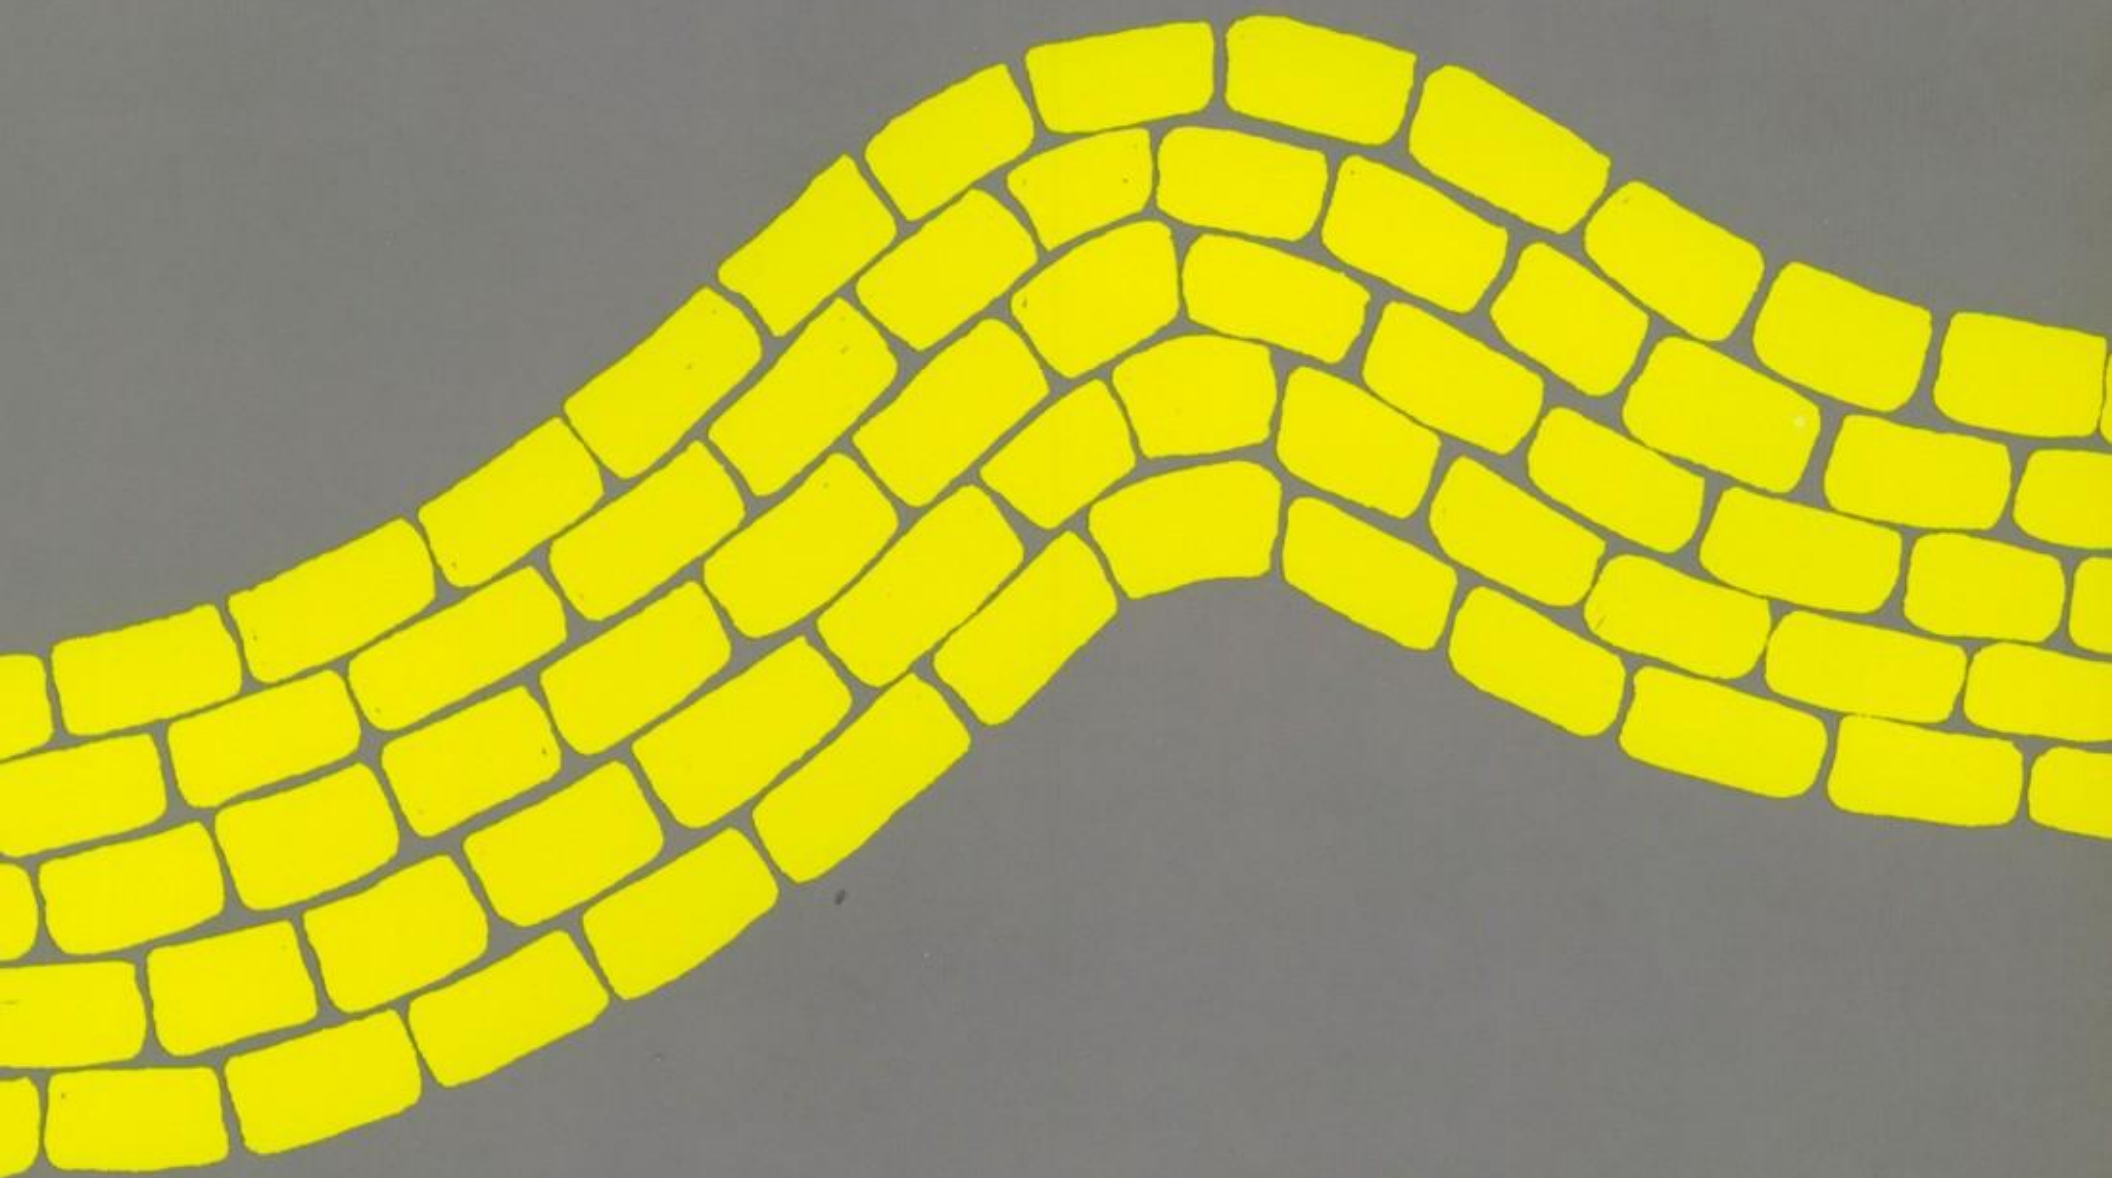

"You're a victim of disorganized thinking; you are under the unfortunate illusion that simply because you run away from danger, you have no courage. You're confusing courage with wisdom."

"It's great to have such good friends as you. Of course, it's going to be hard to say good-bye . . ."

Business Eds Hold The Keys To Their Future

One of the major educational aspects of Pottstown High is the business education department. Composed of eleven teachers and five hundred students, it is an individualized program, designed to allow each student to progress at his own rate. There are four branches to the business program: secretarial, clerical, accounting, and data processing. The secretarial course is a combination of diverse skills requiring speed and accuracy in typing and shorthand. The course also includes business math and accounting, office practice, secretarial English, business law and economics. The clerical aspect of business education involves many of the same courses as secretarial except shorthand. The accounting program has a higher concentration of business mathematics than any of the other programs and it does not emphasize many of the secretarial skills. Data processing is a contemporary program in which students learn computer operation and data regulation.

Academic Classes Result In Well-Rounded Students

All students in all courses are required to study certain fields of common knowledge. Academic classes in English, mathematics, history, and science are conducted. These basic areas of knowledge are intended to prepare students to function efficiently in society as citizens, workers, and family members. Hopefully, students are expected to emerge from their studies ready to communicate with others, balance their checkbooks, and attack the problems of daily life with logic.

Home Ec Students Cook Up Ways To Sew Up Future

Students taking the home ec courses learned the fine arts of home management, cooking, sewing, and family living. They could choose between majoring in home economics or electing those courses of greatest interest to them.

Bachelor living classes noted a rise in the number of boys taking an interest in these activities. The boys made useful sewing projects, cooked, studied consumer education, and learned the repair and use of household appliances. These classes doubled in the last year, showing that more men were interested in learning to handle home life by themselves.

New Shops Widen Choice Of Courses For Students

Pottstown High School's vocational department had more to offer in '77. In addition to business education which offered clerical practice, bookkeeping, secretarial, and data processing, there were also the trade industrial courses. The program included 22 teachers and 12 vocational shops. They were appliance repair, auto mechanics, food service, health service, home economics, mechanical drawing, machine shop, technical drafting, wood shop, and two new courses — cosmetology and building maintenance. Cosmetology was very popular and had over 40 students enrolled.

Additional room had to be provided for the new courses, so four shops — drafting, electronics, building maintenance, and cosmetology — were relocated in the vocational annex, one wing of the former Intermediate School which was converted to meet these needs. Thus additional space was gained to supply the vocational students with the tools of their future trades.

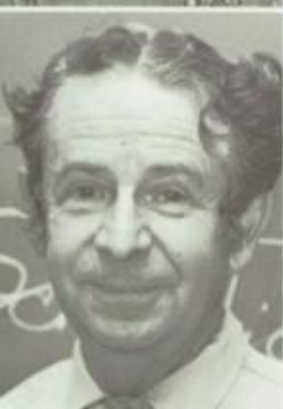

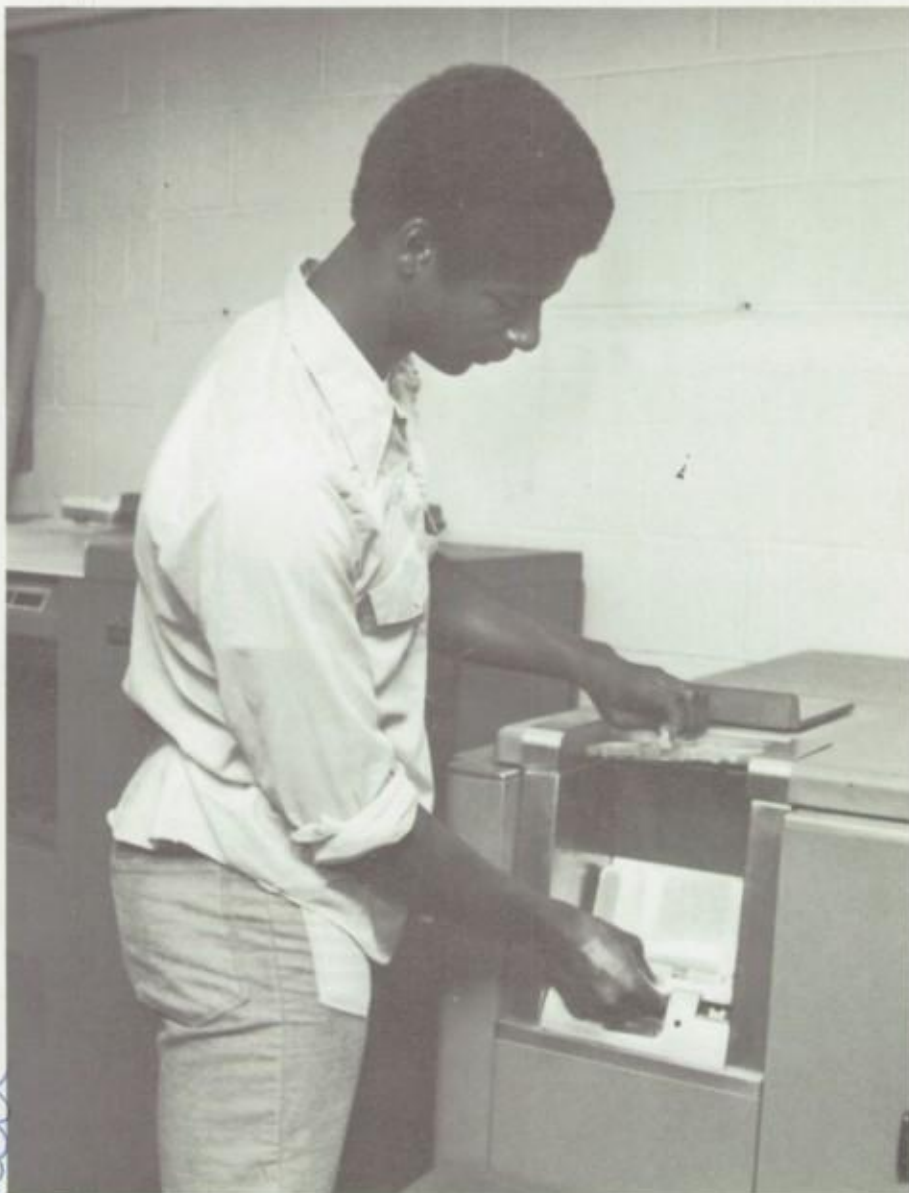

A work training program, known to the students as "co-op," allowed those students who qualified to learn on the job while continuing their academic studies which led to graduation.

COURAGE

Girls Bully The Ball To Go For Their Goal

The Trojanette hockey team, led by Coach Gene Whistler and captain Ruth Wedde, fought hard to a record of 0-7-4. The girls practiced long hours to develop their skills and teamwork. They battled strong teams such as Downingtown and O. J. Roberts in very close games. Graduating seniors are Maggie Torres, Debbie Holinka, Ruth Wedde, Maryann Rivenburg, Chris Koren, Rachel Moser, Sue Smith, Debbie Bodolus, Marva Douglass, and Enid Williams. Sue Bennett was honored by being named to the All Ches-Mont second team and Cindy Karpinski received honorable mention.

Junior varsity, coached by Miss Kathy Detar and captained by Enid Williams and Tracy Feroe, finished the season with a 1-6-3 record. Freshman hockey team, coached by Mrs. Mary Powell and captained by Kathy Pollick and Lisa Detar, worked hard in their first season to post a 2-4 record.

Golfers Make Birdie End Season In 2nd Place

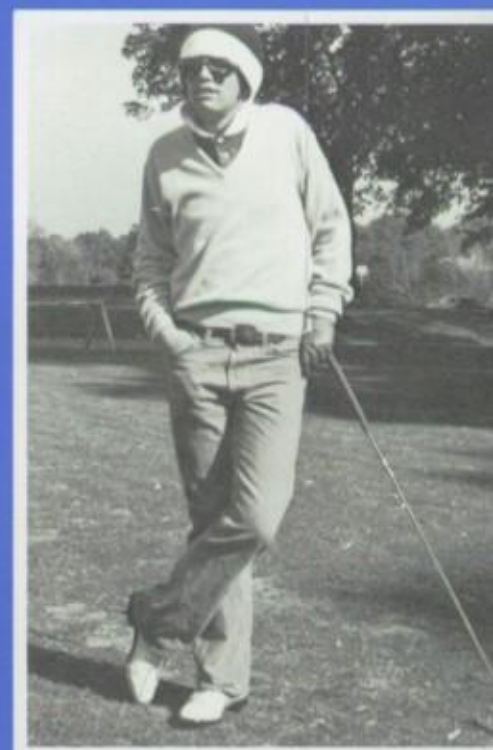

The Trojan golfers, led by senior Ted Smith and under the direction of Mr. William McCabe, finished the season with a record of 8-2 Ches-Mont and 9-2 overall. While they attempted to defend their '75 championship, Coatesville slipped in and overtook them by four strokes on their home course for the C-M title; the Trojans were second. The record of the last four years was first, second, first, second. The '76 line-up was led by Ted Smith, who made All Ches-Mont and who was fifth man out of ten on the District I team; Gregg Schwoyer, who made All Ches-Mont; Mark Bennett, honorable mention All Ches-Mont and winner of the Gross Trophy; Bill Flower; Stanley Gimont; Glenn Mest; and Duane Seybold.

The cross country squad finished the year with a 4-4 league mark and a 5-4 overall. The varsity squad was led by Stan Allen and Wayne Deegan, followed by Dave Jackson, Bob Hums, Kim Fox, Dean Schneider, and Chris Heath. Since only John Barber and Kim Fox graduated, the team will be strong in '77. The junior varsity finished with a 2-5 overall record and was led by Don Lash, Jeff Shea, Philip Mest, and Jeff Laskeski.

The Ches-Mont race proved interesting with good performances by Stan Allen (6th), Wayne Deegan (14th), Dave Jackson (15th), and Bob Hums (34th). Gloria Douglass finished a great year as a one girl team, taking first in three of her five races. She was also outstanding in her Ches-Mont race to come in a sound first place.

Trojans Pull Out .500 Season With O. J. Defeat

The "experts" said that Pottstown didn't have a chance in '76, but they didn't know the pride and class that the '76 squad possessed. There was a score to settle with St. Pius X but a Pius school strike threw the Trojans against an unknown opponent, Cheltenham High. The Trojans had only one day to prepare, and it showed as they emerged with a 12-0 loss.

Pottstown hosted the pre-season favorite Coatesville in their first league game. This calm Friday night saw the rough Pottstown offense mistake away a win. The Raiders grabbed a 15-0 win from the unsure Trojans' hands.

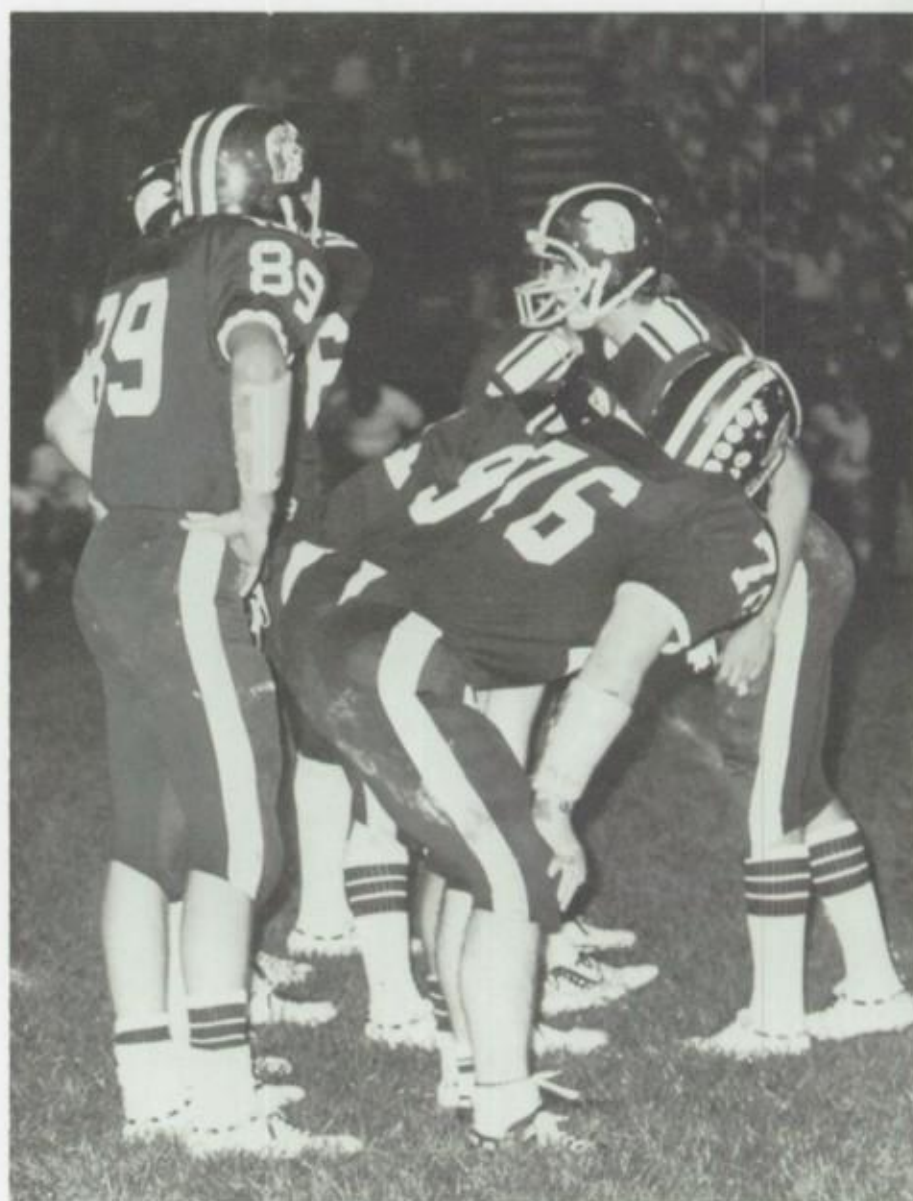

The faltering 11 got things rolling as they visited Boyertown and walked away with a 20-12 win. The Trojans **could** win. The rough game with visiting Spring-Ford was a hard-hitting game in which the Rams were up by a touchdown with less than six minutes left to play. Mistakes gave the Trojans the ball on their own five yard line. Here pride came in. The offense engineered a 95 yard drive to turn away the Rams 15-12. Pottstown then handed neighboring Pottsgrove a 13-8 loss.

Pottstown could see a glimpse of the C-M title. Henderson had a different idea as they defeated the disorganized Trojans in a 7-0 heartbreaker.

The sputtering Trojans gassed up to face Phoenixville. They stopped the big Purple Machine in a 14-13 thriller. Olav Strugstad, the small man with a big leg, knocked two extra point kicks to give the Trojans their win.

At Great Valley by halftime Pottstown was down by 20, but they fought back to lose 27-20. Title hopes were out now with a 4-3 C-M record. They lost to East and were dismantled by Downingtown. The Trojans had but one more game with arch-rival Owen J. Spirits were high and the Trojans ended the season with a tasty Turkey Day win over the Wildcats. It was perhaps their best game.

The '76 team had little depth and little experience, but a big heart. They lost . . . they won . . . but they played with spirit and never tarnished their pride.

Girls Win Second Place Earn A District Birth

The '76-'77 girls' basketball team produced one of the best records since 1956 when Mrs. Kitty Arms led the Trojanettes to an undefeated Ches-Mont title. The Trojanettes started the season losing two of three non-league games. The regular season started well with a victory over O. J. Roberts, 35-31, at Roberts. It went well with six more victories, but then came Coatesville. Coatesville handed them their first league loss in Coatesville's gym.

They got back on the track with a five game winning streak. In a tough, hard fought game against Great Valley, the Southern Division Ches-Mont champs, the Trojanettes came up losers, 67-44. Pottstown, the 12-2 Northern Division Ches-Mont champs, got another chance at Great Valley in the battle for the Ches-Mont crown, but again they came up short. Pottstown went into the District One play-offs, facing the Lower Bucks runner-up, Pennsbury. Pennsbury won, stopping any hope of Pottstown's continuation in the play-offs.

The junior varsity team also finished with a successful season, 10-4, taking second place in the standings. The freshman team had everything they needed, but they just couldn't suppress a very strong Spring-Ford team. The Cubs came in second with a 9-2 record; both losses were to Ches-Mont champions Spring-Ford. The basketball future looks good!

Trojans Pin Down 2nd Place With 12 Victories

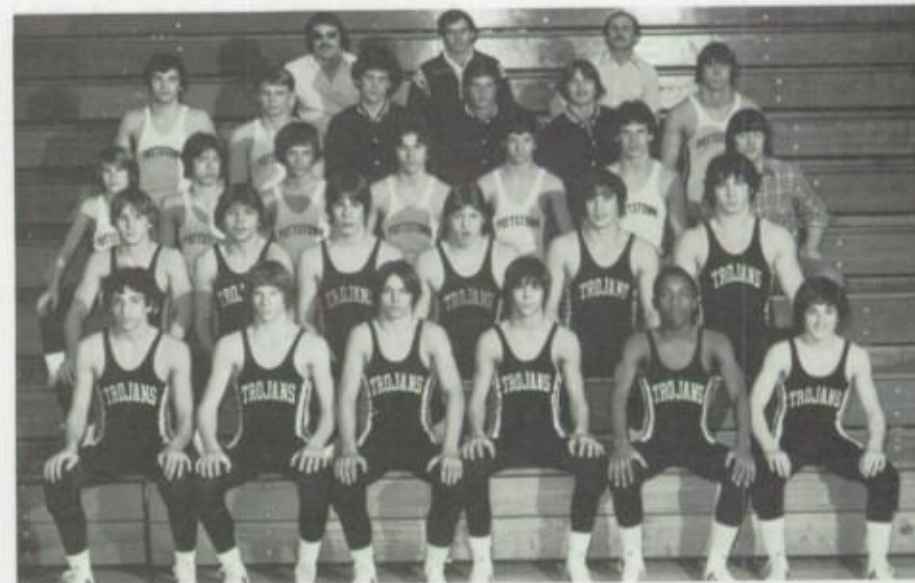

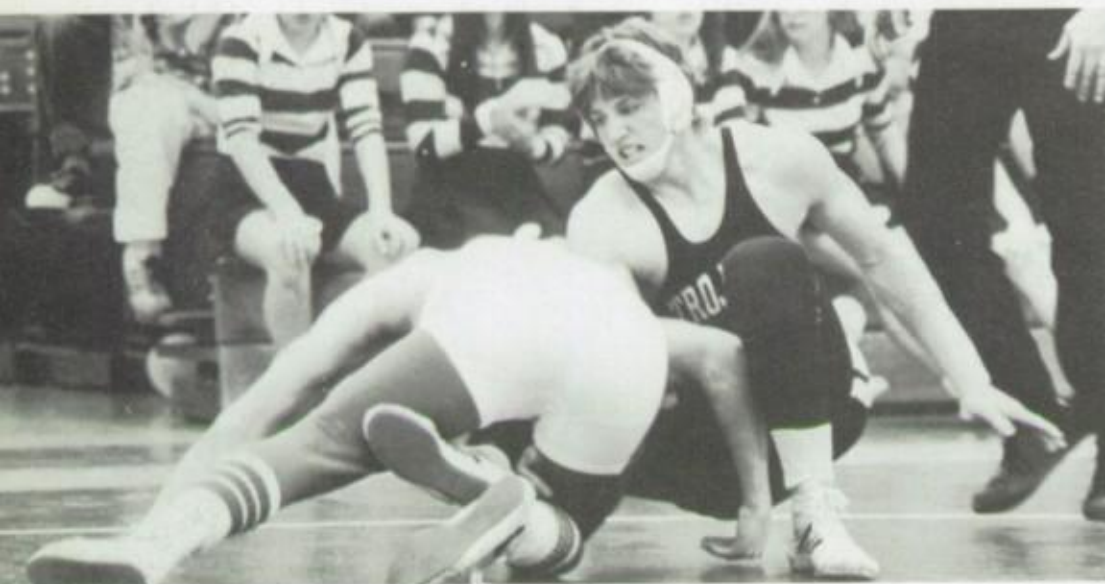

During the second year of Mr. Edwards' coaching in the high school, the Pottstown wrestling squad improved immensely. With many experienced members, the strong Trojan machine rumbled to a 9-1 mark, 12-3 overall, earning second place in the Ches-Mont league and more wins than any Pottstown team has ever had.

They began the year with four tough pre-season matches, taking two, Harriton and Reading. From there the Trojans were tough to stop. In the Upper Merion Christmas tournament Pottstown received a first place from the varsity, Ron Gumbarge, and two firsts and two seconds from the junior varsity in Ben Eckroth, Doug Dilliplane, Don Lash, and Rod Gerhart, respectively.

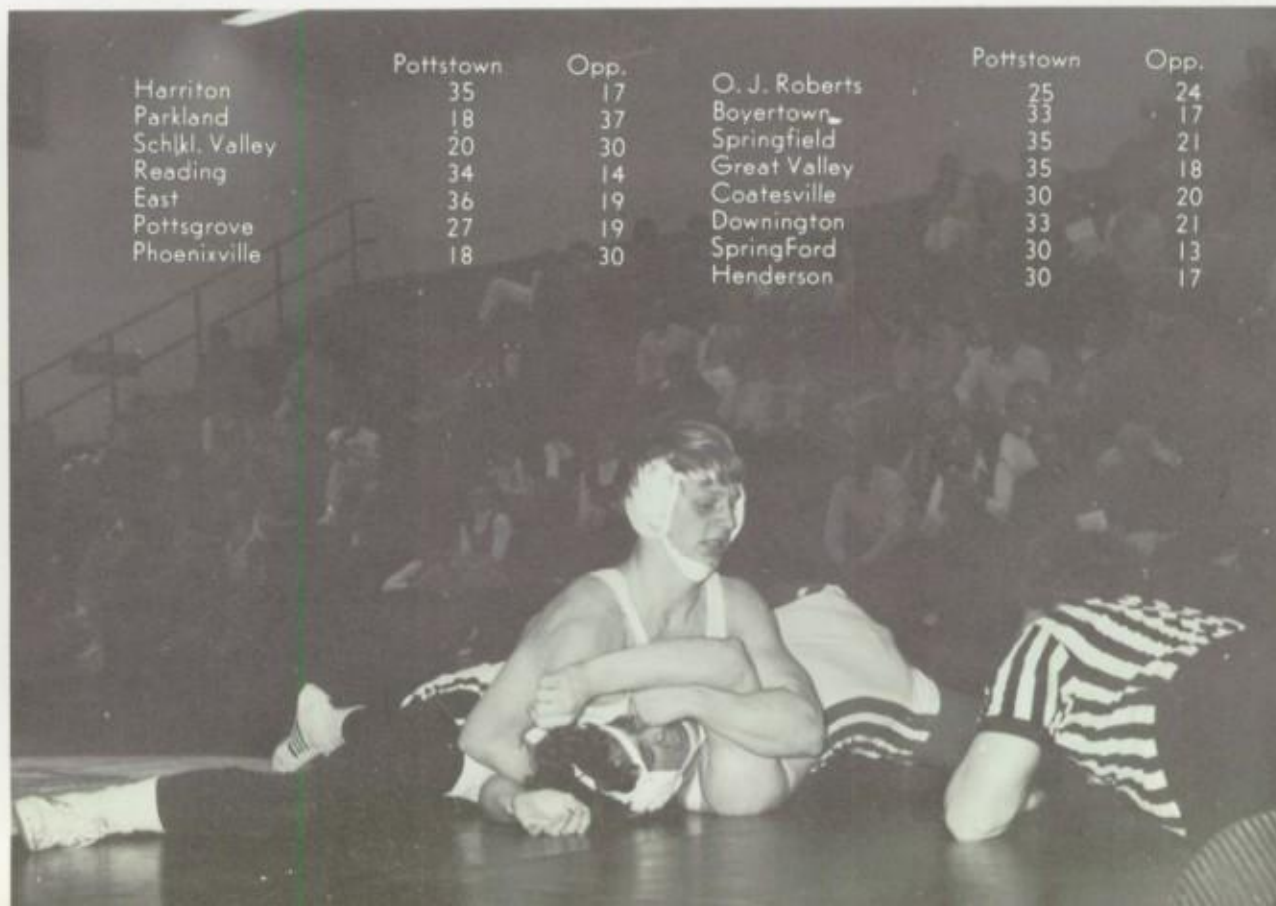

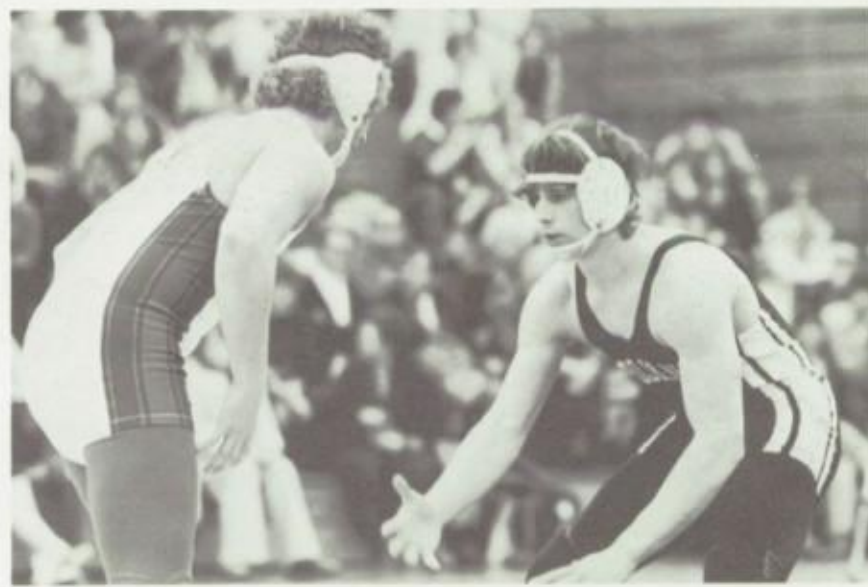

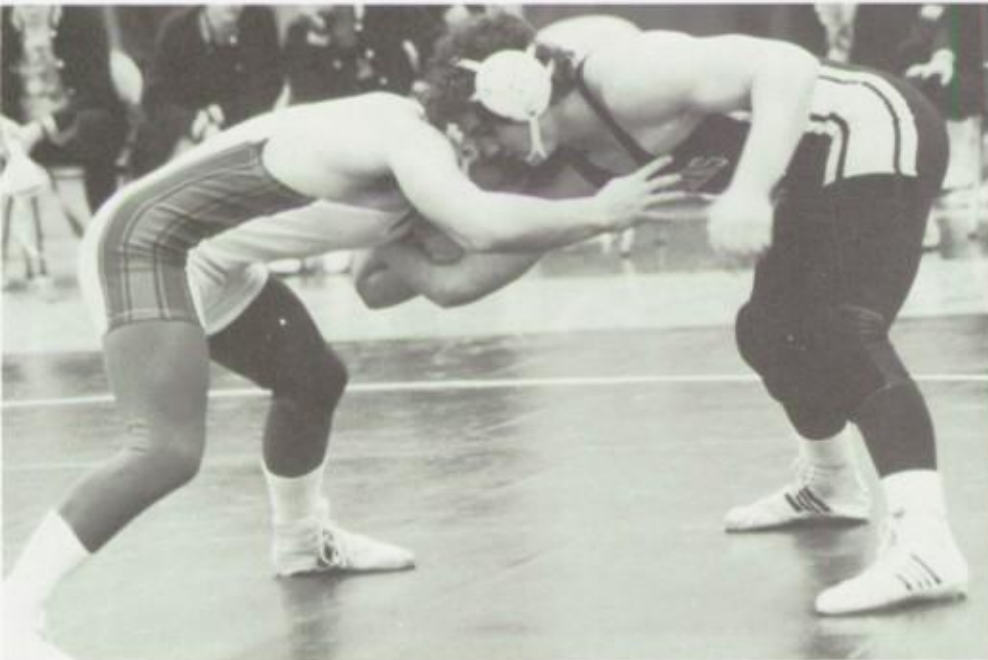

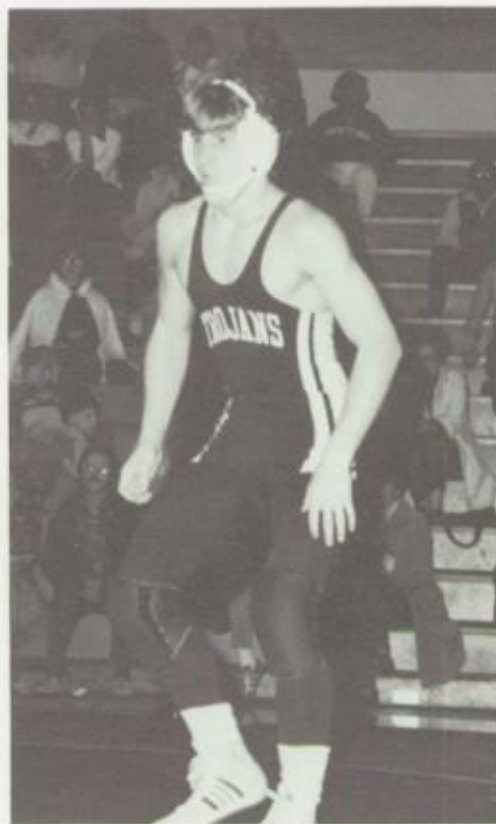

The Ches-Mont league matches then started with a bang as

the Trojans took West Chester East and Pottsgrove, the latter being a thriller in itself. The first and only setback of the season came at the hands of Phoenixville, 30-18. Pottstown rolled on to win the next eight outings, including Downingtown and O. J. Roberts which went right down to the wire.

It was a year of hard work, perseverance, dedication, and success. The members of the wrestling squad could be proud of another outstanding year. Tracy Queen and Ron Gumbarge wrestled to win first places in both the Sectionals and Districts at 105 and heavyweight respectively. Jeff Green, a freshman, had an excellent year as he won the Junior Olympic Middle Atlantic championship with an undefeated season.

Trojan Cagers Bounce Back With Jackson's Five

With a 13-12 record in the Ches-Mont league, the Trojans tallied their sixth straight winning season. It was the first season since 1970 that the Trojans did not win 15 games. Coach Fritz attributed this to the fact that the league was very strong and very well balanced. Their biggest problem was their lack of height, but they countered with speed, the fast break, and good defense. Whenever possible they doubled up on the ball.

The Trojans played well in the Christmas tournament, succeeding in defeating Archbishop Kennedy by 12 points. The greatest thrill of the season came in the second half with their defeat of Henderson. The team remembered their 20 point drubbing that they had suffered at West Chester. It was a thrill to rack up an 8

point lead to defeat Henderson 61-53. Another cliffhanger was SpringFord; in the final seconds of play the score was tied. Sophomore Dale Butler stole the ball, fed to James Jackson, who put it in for a final 65-63.

Head coach Jan Fritz summed up the season by stating: "Our record wasn't on a par with past teams at Pottstown, but our players worked hard, did their best, and represented the school well. I was pleased and proud to be their coach. They were an enjoyable, enthusiastic group to coach."

The freshman Cubs had a terrific season with a 15-0 record. Rodney Williams, Calvin Mangum, Leon Gibbs, and Brooke Butler were outstanding players.

Trojan Baseball Team Drives Home In Style

The Trojan baseball team had a learning season behind a fresh pitching staff. Since the greater part of the '76 varsity was graduated, Coach Kerr recruited an untried varsity team. He brought up fine talent to replace the graduated players. Greg Norris, Stan Gimont, Todd Hetrick, Randy Dewitt, and Nick Yonas were the returning lettermen. One problem that Coach Kerr didn't have was a lack of pitchers. With Jim Kirk, Bill Jacobs, Tim Giangiacomo, George Budrow, and Tom Overholzer he had no shortage of hurlers.

In contrast, Mr. Saylor's junior varsity needed pitchers. They had a good rebuilding year. The freshman team, coached by Mr. Burnley, had a good season with Dave Ingram and Leon Gibbs pitching and power hitters Jeffrey Green and Dean Hughes driving in the runs.

Winter Team's Strength Basis Of Spring Success

Mr. Harvey and the winter track team produced a very successful season. In the first year of varsity competition the team set eleven school records. James Reddick set the indoor triple jump record of 44' 6"; Larry Hespeth, Daryl Howard, Bob Satterwhite, and Stan Allen were the outstanding runners. Reddick, John Barber, and Steve Durchin were the senior co-captains. Six Pottstown athletes competed in the Meet of Champions at Princeton.

The spring track team was relatively small with the strengths lying in the field events and throwing events. Tom DeBlase, Reddick, and Durchin led the way in jumping while Ron Gumbarge, Jeff Hartman, and DeBlase headed the throwing chores. A good balance of underclassmen pulled up the slack in the running events and relays.

Trojans Court Victories With Their Smashing Sets

The boys' and girls' tennis teams consisted of seven members each, with three people playing singles and four people comprising two sets of doubles players. Singles and doubles games were worth one point toward the team score. Players could improve their standing by challenging the person directly above them. During matches there were no officials; all teams depend on the honor system. Like golf, players were expected to be honest.

Seniors on the boys' team included Dave Drabick, Kim Fox, Matt Loudis, Tony Mack, Gerald O'Connell, and Gus Tellis.

Debbie Bodolus, Gail Hoffert, Ruth Wedde, Bev Widger were the senior members of the girls' team.

Lacrosse Sets High Goals To Scoop Up Victories

The PHS lacrosse team, coached by Mrs. Pennypacker and Miss DiPietro, was one of the most ambitious teams of the year. The team was comprised of 40 girls divided equally between the varsity and junior varsity squads. Although the team was mostly sophomores, the girls showed much potential and enthusiasm. During the three month season which ended on May 19, the team competed in nine league games and one non-league game. The Ches-Mont league teams were evenly balanced in skill and sportsmanship.

There were only four seniors participating this season. Several outstanding girls who returned to play varsity were Cathy Cimino, Sue Bennett, Marva Douglass, Cindy Karpinski, and Sue Reidenouer.

The freshman team was coached by Mrs. Dallas and Mrs. Powell, both former PHS lacrosse players. The varsity team was made up of 18 girls. Some outstanding players were Cathy Pollick, Lisa Detar, Shantay Clemons, and Charlene Ebersole.

A.A. Isn't Goldbricking When It Comes To Work

"Can I have a Reese's and a SnikSnak, please?"

"Would you like a program, sir?"

"Mr. McCabe's late again!"

"Some more supplies of candy just came in."

The members and officers of the Athletic Association are elected annually by each class. This group raised money by selling everything from school supplies in the A. A. Store to football programs at games. They backed the Trojan teams, bought trophies for individual players, and presented awards to the outstanding boy and girl athletes.

Along The Road, Friends Help Us Through Years Of Fun And Frustration

Was it only three years ago that we entered the halls of high school? It seemed like an eternity. Now, here we were . . . seniors! We worked hard to attain our goals. We were not afraid to walk to the "beat of a different drum." We had bake sales, skating parties, and dances. We sold everything under the sun from beach towels to Tom-Wat showcases. The results were our fun-filled class trip to Disney World and a memorable prom, "We May Never Pass This Way Again," at the Valley Forge Hilton. Graduation was a time for jubilation and sadness. We gave many thanks to our officers, our cabinet, and especially our sponsors Miss Marlene Roth and Mr. Terry Burnley for making our class a success. We have come to the end of this road, but we're ready to strike out in a new direction!

Brains And Brawn Needed To Survive Junior Year

The junior class came a long way. At the beginning of the year the class had no sponsors and had held only one bake sale, leaving them with practically no money in their budget. By mid-year the juniors had raised enough money to hold a prom. Held February 25, its theme was "Starlight in the Evening." The class held fund raising activities, such as a spaghetti dinner, bake sales, and a donkey basketball game. They planned car washes, hoagie sales, and a candle sale for their senior agenda. Heading the class was president Linda Giangiacomo, vice-president Doug Dilliplane, and secretary Cherie Trate. Sherry Walter held the treasurer's post. The class sponsors who joined us in February were Mrs. Jenis Pennypacker and Mr. Dennis Laub.

Sophomores Say: A Good Heart And An Honest Face Do Not Necessarily Get You Through Chemistry.

The Class of '79 started out on the right road by getting Mr. Brian Rendina and Miss Angela DiPietro for class sponsors. The cabinet was comprised of 32 students who met once a week to discuss new events and ideas to benefit the class. Under the leadership of president Sue Trace they held bake sales, sponsored a Sunday brunch and a spaghetti dinner, and sold beach towels.

Among our numbers we had an exchange student, Norwegian Olav Strugstad. Olav participated in Trojan football as a place-kicker and aided the team in victories. He liked the United States and felt that it was not much different here from Norway. Olav left us with many new ideas. We all benefited from his stay in Pottstown.

Motto: Do not follow where the path leads,
Rather go where there is no path and leave a trail.
Colors: Powder blue and navy blue
Flower: White rose

A New Road Takes Courage

The Class of 1980, known as the freshmen, found many new, unique experiences upon entering P.H.S. The high school offered new privileges and a great variety of clubs, activities, and sports that were never before available for freshman participation. It also offered three grades worth of new friends and faces. There were, however, certain rules and systems that came along with being a part of the high school that every class must bear.

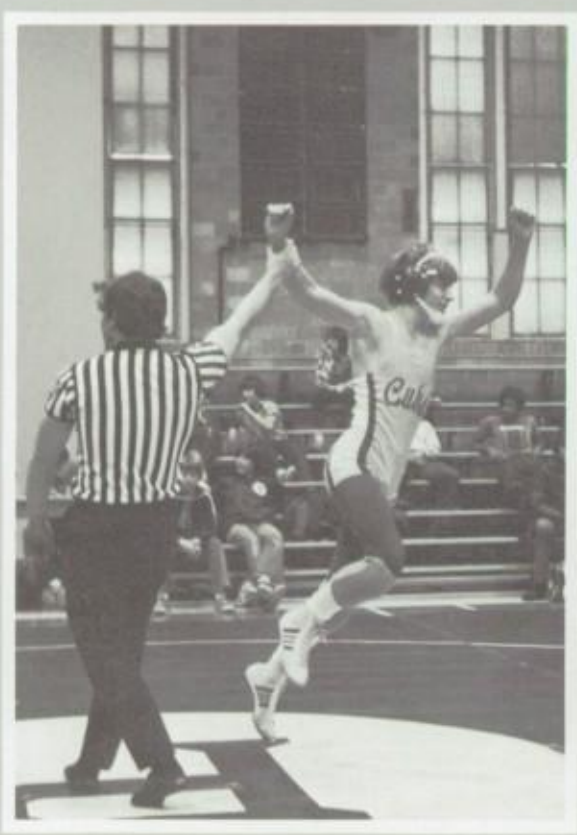

"C stands for courage . . . competition, colleagues, confusion, and cruelty."

Along with the changes that faced the freshmen coming into the high school, the freshmen brought some new problems with them. Being the first freshmen in Pottstown High in 41 years, rearrangements had to be made. Sixteen teachers came to the high school from junior high, and school days started and ended later for many students. Some activities excluded freshmen, and many ninth grade sports took place at the junior high with seventh and eighth grade students. But the freshman class increased the student body to 1350, and they met the high school with the same courage that freshmen found in themselves 41 years ago.

"Courage is what we found when we didn't have any other choice."

What is a freshman? A freshman is anyone of reasonably sound mind and body, willing to devote himself to 177 days of working and studying in the hope of someday, sooner or later, becoming a sophomore!

Service Is The Main Key

The P.H.S. Key Club unlocked a busy and productive year in 1977. Being a school and community service club, they worked hard but had a great deal of fun and enjoyment in performing their services. Their summer activities included a car wash and white elephant sale to aid the Red Cross. After school started, they packed and sold peanuts for the Kiwanis Club. They sponsored Homecoming and treated the girls of the court to a victory dinner at Cutillo's Restaurant. Their decorated car won first place in the Halloween parade. In November they sold fruit cakes and assisted with the Thanksgiving bonfire pep rally. At Yuletide they sold Christmas candles and held a hilarious Monty Python movie night. The high point of their spring activities was their attending the state convention of Key Clubs in Downingtown.

Anchor Club Proves We "Love Those Trojans"

Under the direction of new advisor Mrs. Margaret Munz, the Anchor Club began their activities. After selecting their Secret Friends, they launched their first money raising project of selling "Love Those Trojans" pins. In October they sent Berny Gramata, Vicki Smith, Fran Brutto, and Nancy Edleman to the annual Anchor Club Workshop at Freedoms Foundation to promote leadership and to get new ideas for the club.

At Homecoming and Thanksgiving Day football games they sold the traditional mums. For the Christmas project they made bibs for the patients at Manatwny Manor. They wrapped up the year with a bake sale and the initiation of new members.

PHS Band Marches Down The Yellow Brick Road

The Trojan band took to the field over 180 strong in a dazzling display of fire, flags, and color. Mr. William F. Lamb directed the biggest band and band front that Pottstown High has ever had. They made impressive showings representing Pottstown at football games and cavalcades in the Ches-Mont league. Their success was attributable not only to the fine musical talent in the band but also to the skill and precision of the band front. Trained by Mr. Michael Luckenbill, the band front changed its appearance by the addition of flag batons to the show. Joining the rifles, flags, and twirlers, the "flagsters" were a beautiful addition to the field show presented by the big blue unit. The show climaxed with the presentation of a 40 foot long garrison flag while bombs burst overhead to the echoing chords of "The Bat-

tle Hymn of the Republic."

After the completion of the football season and the outdoor cavalcade competitions, the concert band concentrated on preparing their two major concerts at Christmas and springtime.

Selected members of the band front reorganized to form Pottstown High's first competitive indoor guard unit. Costumed in distinctive new uniforms, they competed through February and March, ending their season at the interstate indoor guard championships.

The band also engaged in the traditional parades and in an exchange program of giving concerts in other schools. Selected members participated in a stage band.

The Attendance Office Makes A Lot Of Common Cents

Under the supervision of Mr. Davidheiser the bank successfully fulfilled its purpose this year. Terri Gofus and Jeanne Frederick counted and deposited money, wrote checks, and made financial transactions. Working during the fourth period and all free study halls, they handled the accounts of all school organizations.

Under the guidance of Mrs. Leveille, the attendance office ran smoothly. Mrs. Leveille and her workers performed the daily tasks of keeping the attendance records and tardy forms of each student. They also recorded every student's permanent record card and lists of all excused and unexcused absences.

Health Room Aids Sick; Library Aids Readers

The information center of the school, used by everyone, was the library. The library aides were there to help keep it running smoothly. With Mrs. Markley supervising, the volunteer aides devoted much of their free time to the operation of the media center. In return they gained valuable experience toward library-related careers.

The health room aides, assisting Mrs. Grace Steimling, helped with the record keeping of the health room. Specifically, they typed and filed the health records for each student. They recorded the findings of the hearing and vision tests and performed general tasks assigned by the school nurse.

Thespian Actors Perform With Names In Lights

The International Thespian Troupe 2355 is an extra-curricular program supplementing the dramatics course offered to freshmen, sophomores, juniors, and seniors. To become a member, a student must earn ten points by aiding in the production of or acting in plays. Using **Dramatics** magazine, the Thespians learn make-up application techniques, improvisations, and play productions. Sponsor Miss Roth and president Vickie Friend supervised a poster sale to finance their activities. The students had a successful year in promoting interest and participation in dramatics and theatrical productions.

Nous Sommes Amoureux Avec Professeur Derro

The French Club is a group of tenth, eleventh, and twelfth grade students who promote French culture. The club and advisor Mr. Joseph Derro held their third annual Christmas party. To keep the student body physically fit, they sponsored a boules tournament. Other activities were a bake sale, a trip to Philadelphia to attend a French Canadian cultural concert, and a dinner at a French restaurant at the end of the school year.

The club officers who planned the meetings and ran the club were Vicki Fong, Robert Albright, Leslie Eliades, and Donna Hampton. They were the leaders of this active group, which was just one of many fine clubs at Pottstown High.

Spanish Club Finishes Cooperative Year In '77

The Spanish Club was a group of students from grades ten, eleven, and twelve who wished to promote Spanish culture. They sponsored numerous activities, most of which were in conjunction with the French Club. The two clubs had a joint Christmas dinner party and a joint bake sale.

The Spanish Club, organized just a few years ago, was advised by Mr. Donald Baker, the Spanish teacher. The student officers are Joan Emery, Karen Gible, Liz Gittings, and Missy Thompson. The club ended the year by enjoying a typical Spanish dinner at a Spanish restaurant.

Choir Enhances School Concerts And Assemblies

The choir and Mr. O'Neill successfully performed their '76-'77 obligations. The choir sang out the old year with its annual Christmas concert and Christmas assembly program. The annual spring choral concert and the Easter assembly program were the major spring performances. They also sent off the seniors, singing at the Baccalaureate service and the Commencement exercises. Special performances were given for the Golden Age Club, the MORA Club, and others.

Mike Dorang and Rycki Harvey stood out as members of District Chorus; Rycki was also a member of the Regional Chorus and State Chorus.

G.L.C. Girls Guide Gym And Grant Governs PHS

The Girls' Leader Corps and the student government were two of the most active, independent groups in P.H.S. The G.L.C., headed by Miss Whistler and Mrs. Pennypacker, was a group of tenth, eleventh, and twelfth grade girls who aided and assisted the various activities of the gym program. They were especially needed since the co-ed gym program this year resulted in bigger gym classes. The G.L.C. took time from their study halls to improve themselves and to help others to enjoy and to progress in their gym classes.

The student government, led by Mr. Grant and president Wanda King, was a group of students from grades nine through twelve who met twice a month to discuss ways to improve the school. They sponsored a Toys for Tots drive at Christmas time and visited other schools to observe their daily routines to get ideas to try to improve P.H.S.

"Over The Slopes And Through The Woods . . ."

The Ski Club and the Ecology Club did all they could throughout the year to provide their members with opportunities to enjoy their experiences with the outdoors. The Ski Club, led by Mr. Novak and president Matt Loudis, met after school hours and organized ski trips to Doe Mountain. The Ecology Club, organized by Miss Richert and president Carol Moyer, also met after school and went on weekend camping trips, hikes, and other outdoor activities. These two clubs, whose membership increased greatly this year, developed skills which the members can continue for the rest of their lives.

75 Students Are Named "Wizards" In Academics

The National Honor Society is an organization which exists to honor students who obtain excellent grades in their academic classes. All members must obtain a B average with no grade lower than a C. This group maintains a hospitality committee, located in the lobby of this building. They raise enough money each year to give a \$250 scholarship to a graduating senior and to give pen sets to each senior member of the Honor Society.

Chess Club Checks Moves

The Chess Club under the leadership of Robert Albright consisted of tenth, eleventh, and twelfth grade students. The returning members were Gerald Koren, Robert Albright, Kim Fox, and Jeff Lafferty. When the club competed against other schools as a team, the team consisted of five members. As a team they played Coatesville, Phoenixville, Spring-Ford, and Owen J. Roberts.

CHESS CLUB. K. Fox, G. Koren, R. Albright, E. Bowman, L. Wagner.

Trojan Girls Get Rowdie

In its second year of existence the Trojan Girls aroused school spirit to new levels of excitement. Supervised by Miss DiPietro, this girls' booster club generated enthusiasm for the sports program throughout the year. Supporting pep rallies, making posters, and decorating the hallways were some of their tasks. Athletes' lockers were decorated with crepe paper, candy, and wild imagination. Girls from grades nine through twelve were welcomed as members. The only qualification was enthusiastic school spirit!

OFFICERS. Miss DiPietro, Sue Reidenouer, Dee O'Blosser.

Our Girls Are All Heart

The Future Health Careers Club consists of juniors and seniors enrolled in the medical and dental health service courses. Under the direction of Mrs. Falvey the students investigate the various areas of the field of health, both within the school itself and in the community. The club, which is in its second year of operation, has engaged in many activities such as field trips and appearances by guest speakers to increase their perspective in the field of health careers.

P.H.S. News Snaps Out Answers To Questions

I. Mrs. Swavely 2. Shakespeare 3. P.H.S. News staff

A. Who are the "Dan Rathers" and "Barbara Walters" of P.H.S.? B. Who holds the world record of using ten tissues while laughing at one joke? C. Who is John Boehmer's idol?

Behind the door of Room 216 lurked seventeen creative minds under the guidance of Mrs. Joanne Swavely. We asked the questions and got the answers to produce a superior newspaper of good writing and in-depth reporting. The staff was dedicated to upholding the high standards of high school journalism.

"How do you spell 'peanut butter'?"

The front page kept students informed of club activities, new faces, and news. Readers chuckled over insanity quizzes and Trojan Trivia. In sports we followed the thrill of victory and the agony of defeat of our freshman and high school teams. Students had the chance to voice opinions in editorials and letters.

"Dear Editor, Help!"

We may not have pleased everyone, but we had fun. We were very proud of the 1976-77 P.H.S. News. We give many thanks to our speedy typists, sharp photographers, and a patient Mrs. Swavely.

All of us have traveled this Yellow Brick Road. It comes from somewhere and can go anywhere. We may have just met at a crossing, but it is now time to move onward in separate directions. We will continue to encounter new places and people along the way, stopping for some, passing by others. Some of the people we meet will have Brains, others will have Courage, and still others will have Heart; but, hopefully, we will learn to travel the Road together as Friends. Now, finally, as we seniors seem to have reached the end of the road, we find it's not really the end at all — just a new beginning.

"The road goes ever on and on,
Down from the Road where it began.
Now far ahead the Road has gone,
And I must follow it if I can.

Pursuing it with eager feet
Until it joins some larger way,
Where many paths and errands meet,
And whither then? I cannot say."

Final Note

We, the editors of the 1977 Troiad, sincerely thank all those who contributed time, work, and material to produce the yearbook. Because of many concerned people an excellent yearbook has been produced.

Therefore, we express our gratitude to Loring Studios for their beautiful photographic work; to photographers Jack Forsythe, Bill Eyrich, and Bill Seltzer for their efforts; and to Mr. Calvin Cressman and his photography class, Mrs. Joanne Swavely and the P.H.S. News staff, Mr. Martin Durchin, and Miss Denise Mangum for their contributions of time and photographs. Thank you to Mr. Ray Ritter, our advisor from Taylor Publishing Company. Words of appreciation must be given to Mr. William Smith, Mr. and Mrs. Robert Kovach, Mrs. Linda Barbour, Mr. Ron Hallman, and to the editorial, business, photography, and typing staffs for their immeasurable assistance, dedication, and cooperation which they have given us this past year. We hope that this yearbook will serve as a lasting memento of their work and concern.

We congratulate our art committee — Donna Stevenson, Liz Gittings, Mark Ihle, and Steve Durchin — on their beautiful, creative designs for the cover and divider pages. With the guidance of Mrs. Barbour, each artist originated the artwork for one divider page, and Steve Durchin executed the final design of the cover which introduces the theme of the '77 Troiad.

Finally, we come to the person who has made this all possible by giving more of herself than anyone could ask — our sponsor, Mrs. Huddy. Without her endless energy, the Troiad would fall flat on its cover. She is continually searching for ways in which to improve the yearbook. The dedication she gives to the staff is equaled only by the affection and admiration they show her in return. We have yet to recognize any bad qualities in her — she's just a remarkable person. So, thank you, Mrs. Huddy, for your direction, guidance, and concern. We will remember you always.

Jodi!

Jodi,
 To a real great friend that I can tell all my secrets to. Thanks for listening to my problems and helping me out when you could. Never forget all of our good times from 8th on up. I think of you as a sister and one whom I can trust. Never forget Ginas, they Best, study halls, our good summers and our bad summers. Don't forget me this summer because we are going to baseball games & swimming. I could go on for ever (Mr. Drake). I hope you are in some of my classes next year when we're big seniors! Just wait till this summer when we go cruising around! See ya this summer.
